

Music Tutor Job Description

Job title: Guitar, Ukulele or Keyboard Tutor
Hours: Self-employed role with flexible hours - term time only

Job role

- Prepare and lead small group music lessons in a primary school environment with the help of an interactive syllabus and our supportive team.
- Responsible for students working towards learning goals and achievements throughout the school year.
- Distribute achievement awards and stickers to students.
- Communicate clearly with school staff and Front Row Music regarding student progress, performances and any other relevant information regarding lessons.
- Work towards two performances each year to showcase what the students have covered in lessons.
- Regularly meet a Front Row Music tutor manager for feedback and support.

Who should apply? Applicants should be...

- Passionate about making music fun and inspiring for primary school-age students.
- Accomplished musicians looking for flexible work to fit in with their current schedule.
- Confident, trustworthy, and reliable.
- Friendly and professional.
- Organised and great at communication.
- Excited to develop skills as a peripatetic tutor with an experienced team.
- Someone who thrives in a collaborative team and loves working with people.
- Looking to expand their skill set.
- Happy to have creative input and ideas that add value to the school learning environment.

Required documents and training:

- Enhanced DBS check - available via Front Row Music upon a successful application (please make us aware if you already have an enhanced DBS certificate).
- Public Liability Insurance - available through the Musicians Union and other independent insurers.
- Safeguarding Training - successful applicants will receive safeguard training from the Musicians Union free of charge.
- Teaching experience - although it isn't essential, previous teaching experience is preferable.

Successful applicants will receive:

- On-the-job training and year-round tutor support.
- Access to the Front Row Music tutor app containing live registers, lesson plans, tips for getting the most out of lessons and classroom games.
- Instruments for use in schools.
